WM Library Bus Permission Form

Dear Parents and Guardians,

The West Milford Township Public Schools provide an after-school bus route directly to the West Milford Township Library located at 1470 Union Valley Road in West Milford for all students age 12 and up. This program does not designate or specify certain days for use of district busing for this purpose. Rather, by signing below, you are providing “blanket” permission for your child to participate at their discretion. If your child elects not to ride the library bus on any particular day, the student’s current transportation protocols remain in effect as they would on any regular school day and you remain responsible for arranging pickup for your child from the school building or the student’s bus stop, as may be necessary.

The West Milford Schools will consider the WM Library to be an end of route portal, or bus stop. The signing, acceptance, and return of this permission slip acknowledges that the schools take no responsibility for student transportation after they have been delivered to the Library and have entered the building. Students bused to WMTL will be responsible for their own activities and usage of the Library, with all the privileges and obligations any Library user is afforded by WMTL’s guidelines, standards, and policies. A complete listing of Library policies can be found at the following website: <http://www.wmtl.org/about/>.

One such policy states, “Students must be 12 or older to use the Library without a guardian on premises.”
